### TASK 1 WRITTEN MEDIATION (Marks: 15)

#### ECOSYSTEMS

Your 12-year-old niece asks you to explain ecosystems to her. She is ill and could not go to class but her teacher sent her the diagram below. Send her **an email from 70 to 90 words**. You may need to use some of the words in the diagram, but it may not be necessary to mention them all. **Remember your text needs to be about the information below, not about your personal opinion.**
